

A pair of black Plantronics BackBeat GO 2 wireless earbuds is shown next to its black and red charging case. The case is a small, rectangular pouch with a red strap across the top that has the 'plantronics' logo in white. A red battery icon is visible on the front of the case. The earbuds have a sleek, ergonomic design with a black cable. The entire product is set against a solid red background.

Premium audio and power to GO

BackBeat® GO 2 with Charging Case

Plantronics BackBeat GO 2 wireless earbuds and charging case deliver immersive audio and power to go, so you can lose the cord and keep the charge.

BackBeat® GO 2 with Charging Case

Stay charged, stay moving. Once you experience the rich bass, crisp highs, and natural midtones, you'll want every minute the charging case offers so you can lose yourself in the soundtrack of your day. Whether you're sweating out the stress or swaying to the beat, the military-grade moisture resistance protects earbuds against an intense workout or a coffee spill. If you forget to connect to the charging case, the DeepSleep™ hibernation mode keeps earbuds charged for up to six months, ready for use. Just unleash your music and GO.

- Fully charged case enables up to 14.5 hours listen time.
- Press the battery icon on the case and the LED blinks to show you the battery level of the case.
- Just 20 minutes connected to the charging case adds another hour of listen time.
- The P2i military-grade nano-coating protects the earbuds against sweat, moisture, and spills.
- Compact design easily slips into your pocket and tangle free cable keeps things simple.
- Enjoy your favorite music or movie with up to 4.5 hours of listening and 5 hours of talk time.
- DeepSleep mode puts buds into hibernation when away from the phone, extending battery readiness up to six months.
- Three sizes of cushioned eartips and stabilizers make the fit custom and comfortable for active use and all day wearing.
- Inline controls make it easy to take calls, skip tracks, and adjust volume.
- Bluetooth® technology lets you connect to your smartphone or tablet for music, movies, and calls.
- Headset battery meter automatically shows onscreen for iPhone® and iPad®.
- Plantronics Battery Meter widget enables a headset battery meter on Android™ 3.0 tablets, and Android 4.0 phones and tablets.
