

Jabra Elite 65t

Engineered for the best true wireless calls and music experience

Best call and voice quality.

Hear and be heard. Conversations are made incredibly clear with true wireless earbuds that are proven to deliver best-in-class call performance. Four-microphone technology gives you effective wind noise reduction on calls, and advanced speakers that are just 6mm in size let you block out, or let in, ambient sound.

Music, the way you want to hear it.

Listen to your music your way. Personalize your sound with a customizable equalizer found in the Jabra Sound+ app.

Use all day, whatever your listening needs.

With up to 5 hours of battery on a single charge, and up to 15 hours in total with the included pocket-friendly charging case, your listening needs are met from the start of the day, to its end.

Proven connectivity.

Jabra Elite 65t is a third generation true wireless product, and Jabra has a proven track record of excellent true wireless connectivity. Experience the stability that lets you take calls and listen to music without worrying about audio dropouts.

Built to work, guaranteed.

Jabra Elite 65t features an IP55-rated design, and comes with a 2-year warranty against damage from water and dust*. Wherever your day takes you, your activities won't get in the way of easy, reliable access to calls and music.

Voice command made simple.

With Jabra Elite 65t you can instantly connect to Alexa**, Siri® or Google Now™, allowing you to quickly get the information you need – whether that be setting appointments, finding nearby events, or having messages read back to you. And with Bluetooth® 5.0 you can seamlessly connect the Elite 65t to your smartphone.
