

Plantronics Discovery™ 640E Bluetooth® Headset

Enjoy enhanced mobility with this innovative Bluetooth headset

The Plantronics Discovery 640E *Bluetooth* headset lets you stay connected like never before. Combining cutting-edge technology and sleek design, the Plantronics Discovery 640E wireless headset is ultra-light, comfortable and includes an innovative charging system. With multipoint technology, you can seamlessly switch between two *Bluetooth* audio devices. The Plantronics Discovery 640E sets the standard in style and convenience. Wherever your conversations take you, take the Discovery 640E.

- Up to 15 hours of talk time¹. A unique, pen-sized carrying case stores a AAA battery that charges the headset between calls—a Plantronics industry first
- Multipoint allows headset to work with multiple *Bluetooth* devices—phones, PDAs or laptops
- Long-wearing comfort and ultra-light—weighs only 9 grams—the lightest Plantronics *Bluetooth* headset available
- Premium design and personalized fit with three sizes of soft gel ear tips
- Headset can be worn in right or left ear
- Optional 'ear stabilizer' fits over the ear
- Supports last number redial and voice-activated dialing² for easy mobile use
- Pocket case vibrates with incoming calls
- Freedom to roam up to 33 feet from your *Bluetooth* device

Sound Innovation for missions to the moon. And for everyday life on this planet, too.

In 1969, a Plantronics headset carried the historic first words from the moon: "That's one small step for man, one giant leap for mankind." Today, we're the headset of choice in mission-critical applications such as air traffic control and 911 dispatch. This history of proven sound innovation is the basis for every product we build—whether it's for work, for home or on the go.
