

# Plantronics Unified Communications Portfolio

With a focus on clear, consistent and reliable voice collaboration, Plantronics is dedicated to partnering with enterprises to provide superior audio/voice solutions for unified communications deployments. The Plantronics Unified Communications portfolio offers a broad range of solutions for diverse working styles, with high-quality audio and world class technical support.

	<div style="background-color: #4CAF50; color: white; padding: 2px;">NEW</div> <b>Smart Sensor technology</b>  <b>Voyager™ PRO UC</b>	<div style="background-color: #4CAF50; color: white; padding: 2px;">NEW</div>  <b>Calisto 800 Series</b>	 <b>Savi® Office Convertible</b>	 <b>Savi 430</b>	<h3>Technology Legend</h3> <p><b>Smart Sensor Technology</b> Built-in sensors deliver automatic functionality like answering a call by placing the headset on and simultaneously updating softphone availability status.</p> <p><b>A2DP</b> A Bluetooth profile that allows high quality audio content to be streamed from one device to another through a Bluetooth connection. Listen to streaming media, music and navigation wirelessly through your headset.</p> <p><b>AudioIQ<sup>2</sup></b> Keeps calls clear, regardless of the environment. Automatically adjusts incoming calls to a comfortable listening level.</p> <p><b>SoundGuard</b> Sound leveling for listening comfort and acoustic limiting for protection against sounds above 118 dBA.</p> <p><b>SoundGuard DIGITAL</b> All the benefits of SoundGuard, plus anti-startle protection which detects sudden increase in sound and eliminates the increase, and Time Weighted Average (TWA) measurement which prevents average daily sound exposure from exceeding 85dBA.</p> <p><b>Wideband</b> Frequency range up to 6,800 Hz. Meets TIA-920 standard for genuine wideband response.</p>
<b>Connects to</b>	PC + mobile phone	PC + mobile phone**	Desk phone + PC	PC	
<b>Recommended for</b>	Mobile professionals who use PC audio and mobile phone communications	Home and private office workers with multiple communication devices	Users with mixed PC and office phone communications	Users with PC communication in office or on the go
